EXPERIENCE

Software Engineer

04/2022 – Present

JPMorgan Chase & Co. - Jersey City, NJ

- Produced well-designed, scalable, and reusable code for customer-facing web applications utilizing React, Angular, TypeScript, JavaScript, HTML5, and CSS3, directly contributing to enhanced user engagement and streamlined business processes
- Developed reusable React & Angular components, boosting efficiency and accelerating timelines via modern web development practices
- Developed and sustained robust backend services and RESTful APIs using Java, Spring Boot, and PostgreSQL, facilitating seamless data integration for web applications.
- Collaborated closely with Product and Design teams to translate complex requirements and UI/UX designs into intuitive, highly-responsive customer-facing components and user interfaces.
- Actively participated in the full Software Development Lifecycle (SDLC) within an Agile, microservices-oriented environment, from requirements gathering and design through to development, test-driven development, and deployment.
- Mentored and trained new team members, fostering a collaborative environment and enhancing overall team productivity, acting as a good mentor and co-worker
- Contributed to the creation and improvement of technical documentation, supporting project clarity and maintainability.

Frontend Developer Intern

12/2020 – 06/2021

Blocklight - Remote

- Developed dynamic and responsive user interfaces using React, adhering to industry best practices
- Demonstrated proficiency in modern development tools and languages such as JavaScript, React, HTML, and CSS
- Transformed design and wireframe concepts into functional code, enhancing user experience
- Collaborated with engineering teams to ensure product quality and consistency; actively participated in architecture discussions and code reviews

CERTIFICATION

AWS Certified Cloud Practitioner

06/2025

EDUCATION

Master of Science in Quantitative Methods and Modeling - Baruch College, New York, NY

09/2018 - 05/2020

Bachelor of Science in Applied Mathematics - The City College of New York, New York, NY

08/2013 - 12/2016
