“Take Me To the World”

Misako/Taylor
Let me see the world
With clouds
Take me to the world
Out where I can push
Through crowds—
Take me to the world

Stephanie/Rachel
A world of skies
That's bursting with surprise
To open up my eyes
For joy

Henry/Baily G.
Take me to the world
That's real
Show me how it's done

Misako/Taylor
Teach me how to laugh
To feel
Move me to the sun

Marina/Wendy
Just hold my hand
Whenever we arrive
Take me to the world
Where I can be alive

Henry/Bailey G.
Let me see the world that smiles, take me to the world

Boho Days

Ben/Ezra
This is the life, bo-bo, bo-bo-bo
This is the life, bo-bo, bo-bo-bo
This is the life, bo-bo, bo-bo-bo
Bohemia

Ciara/Meghan
Shower's in the kitchen, there might be some soap
Dishes in the sink, brush your teeth if you can cope
Toilet's in the closet, you better hope
There's a light bulb in there (not today)

Theresa/Kamille
Revolving door roommates prick up your ears
14 people in just four years
Ann, and Max, and Jonathan, and Carolyn, and Kerri
David, Tim, no, Tim was just a guest from June to January
Margaret, Lisa, David, Susie, Stephen, Joe, and Sam
And Elsa, the bill collector's dream who still is on the lam

Ben/Ezra
Don't forget the neighbors, Michelle and Gay
More like a family than your family, hey
The time is flying and everything is dying
I thought by now I'd have a dog, a kid, and wife
The ship is sort of sinking, so let's start drinking
Before we start thinking, "Is this the life?" (Yeah)

All Leads
This is the life, bo-bo, bo-bo-bo
This is the life, bo-bo, bo-bo-bo
This is the life, bo-bo, bo-bo-bo
Bohemia (ya-ya-ya)
Bohemia (woo-oo-oo)
One more time!
Bohemia
Bo-bo, bo-bo-bo, whoa

“A Map of New York” (3 leads and 7 featured moments)

Megan/Yulia
Think of each plaza, pier, and public park
How many sit there empty, lonely, dark?
Think of it for tomorrow's sake
Think of how you and I can make our mark

Hari/Henry
You and I, we can draw a brand-new grid
Everything that you dreamed of as a kid
Give it a year and go with me
Soon enough you will say, 'look what we two did'

Meghan/Yulia
You've always had the right dream
We've always made a tight team
Now at last you're back exactly where you ought to be
So let's make a map of New York, you and me

Vianna/Whitney
Twenty-two Reed
A building, sidewalk shade

Meghan/Yulia
Now a memory that for Beth will never fade

Vianna/Whitney
And I could be planning city sites
Where memories just like this one might be made

Emy/Emily E.
Thirty-three Bond where I wrote my first book

Eliza/Willy
Greenwich and Moore where I learned how to cook

Lauren/Kamille
The Center Street courts, I interned there
The joy of this job is everywhere I look

Kathleen/Stella
That market was my first job

Karen/Danielle
That diner was my worst job

All Features
And everywhere around me are these lives I left behind

Theresa/Wendy
The tunnel where I laid rail

Misako/Kristen
The co-op where I made my first sale

All Features
They make a map of New York in my mind

Emy/Emily E.
Put a sticker on the map where you landed that first day

Eliza/Willy
Put a pin on the bridge, on the train, on JFK

Lauren/Kamille
On the street where I swore I'd afford a place someday

All
Every avenue and place
Every building every face
Of the lovers and the friends
The beginnings and the ends
Make a map of NYC
Where I live and who I'll be
And you'll find me

Vianna/Whitney
And you're feeling adrift, alone, apart
And suddenly life will somehow start

And a map of New York is written on your heart
I'm too old for all that shit
You'll be told I'm selling out
Then again, all these years, did I lose what I'm about?
On the street in the cold it's so hard to fight that doubt

All
Then you hear the tunnel hum
With the train about to come
And you surface to the street
Where you fall into the beat
You can trace the line to me
On a map of NYC
Right where I should be

Hari/Henry & Vianna/Whitney
Think of how human life will ebb and flow
People, and how they'll come and how they'll go
Remember the things we hoped and planned
Remember them and believe them
And you'll know
You'll know

All
We never walk a straight line
We never trust a street sign
But it's in the detour that we truly find our way
We always know the way home
As long as we can stay here we're home

Vianna/Whitney
And we make a map of work

Meghan/Yulia
And we make a map of play

All
And we make a map of New York every day

Deep Beneath the City/I'm Not There Yet (7 features, 1 lead rapper, ensemble)

[All]
Deep beneath the city
With a thousand other strangers
Packed like driven cattle
Speeding through a maze
Rattling and lurching

A muffled speaker tells us
To expect delays

Hold the door

[Eliza/Emily E, spoken]
Ladies and gentlemen, due to train traffic ahead we are being momentarily held.

[Ensemble, spoken]
Fuck!

[All]
Gotta deal with the fact that
I'm not the one drivin'
Gotta tune out the world
As a means of survivin'
Not at home, not at play, not at work, not in bed
Not asleep, not awake, not alive and not dead
Not in place but still not moving ahead

Valerie/Ciara (rap)
Eight million souls so busy rushing around
Blind to the beauty of the moment
And deaf to the sound
Of the polyrhythmic melody
The multilayered harmony
The everchanging symphony

Of life underground
Where together we ride, and together we wait
In a tiny metal room as we zoom toward our fate
And we stress on the express, and we bitch and we moan
In an unnatural proximity, together but alone
Eight million souls race to their destinations
In this limbo life we live between stations

[All]
No I'm not there!
Why am I not there yet?
Just

[Emily C/Ezra]
Two

[Emily Pas/Hari]
One

[Kaitlyn/Rachel]

Not there

[All]
Not there
I'm

"Beautiful City"

Willy/Lauren
Out of the ruins and rubble

Out of the smoke

Out of our night of struggle

Can we see a ray of hope?

Emily/Lara

One pale, thin ray

Reaching for the day

We can build a beautiful city

Yes, we can, yes, we can

We can build a beautiful city

Not a city of angels

But we can build a city of man

Sophie/Domonique

We may not reach the ending

But we can start

Slowly but truly mending

Brick by brick, heart by heart

Willy/Lauren

Now, maybe now

We start learning how

We can build a beautiful city

Yes, we can, yes, we can

We can build a beautiful city

Not a city of angels

But we can build a city of man

Willy/Lauren

When your trust is all but shattered

Emily/Lara

When your faith is all but killed

Sophie/Domonique

You can give up bitter and battered

Or you can slowly start to build

Ensemble

A beautiful city
Yes, we can, yes, we can
We can build a beautiful city
Not a city of angels

All Leads
But finally a city of man
A city of man

“Empire State of Mind”

Ebony/Emily E.
Oooooohhhhh, New York

Dialogue (Karen/Valerie)
They play these notes, and they play these notes

Dialogue (Ebony/Emily E.)
And I play my notes

Ebony/Emily E. & Shari/Emy (Harmony)
Oooooohhhhh, New York

Dialogue (Shari/Emy)
And from these basics, our melody can evolve

Ebony/Emily E.
Grew up in a town that is famous
As a place of movie scenes
Noise is always loud,
There are sirens all around
And the streets are mean

Shari/Emy
If I can make it here,
I can make it anywhere,
That's what they say

Karen/Valerie
Seeing my face in lights or my name
In marquees found down on Broadway

Kristen/Emily C.
Even if it ain't all it seems,
I got a pocketful of dreams
Baby I'm from New York!

Soloists only
Concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York!
These streets will make you feel brand new
Big lights will inspire you
Hear it for New York,
New York, New York!

Karen/Valerie
On the avenue,
There ain't never a curfew,
Ladies work so hard

Shari/Emy
Such a melting pot,
On the corner selling rock,
Preachers pray to God

Ebony/Emily E.
Hail a ***yellow*** cab,
Takes me down from Harlem
To the Brooklyn Bridge

Someone sleeps tonight
With a hunger far more
Than an empty fridge

Now you're in New York!

Home of the World Trade
Long live the queen, yo, she’s from the Empire State

That’s, that’s, that’s

New York

Wendy/Danielle
Here on 17th Street, 3,000 miles away

Brought here by a feeling, but that feeling left today
The people simply point and stare
The cabs won't take me anywhere
And it starts to feel like I don't have a prayer…

Taylor/Misako
'Cause I'm lost in New York City
Blocked out from the sun
Lost among these shadows, hiding everyone
The subways have all stopped running, so the rats are free to roam

Ensemble
Can I find my way home?
Can I find my way home?
[alone] Oh...

Oh, I will try and guide you

To better times and brighter days

Just don't be afraid to

Come up the ladder to the roof

Where we can see heaven much better

Come up the ladder to the roof

Where we can be, where we can be

Closer to heaven

Stay with me

Stay with me

And we shall let expression sing

(Hear freedom ringin')

Can't you hear them ringin'?

Memories of yesterday's broken dreams

(Yesterday's broken dreams)

Don't you know

That they are gonna fade away?

I know it's time to go

Up the ladder to the roof

Where we can see heaven much better

Go up the ladder to the roof

Where we can be, where we can be

Closer to

We'll laugh and I'll tell you the story of love

How it is and the happiness in it, baby

We combine the thoughts and together we will travel the world

To the fountain of lovingness

I will never, ever, ever leave you

(I will never)

Leave you alone to wander

(Never, ever, never, ever)

As we understand our love

We will grow, we will grow

Much stronger and stronger

(Stronger and stronger, yeah)

Go up the ladder to the roof

Where we can see heaven much better

Go up the ladder to the roof

Where we can be you and me

(We can be, we can be)

Go up the ladder to the roof

Where we can see heaven much better

Go up the ladder to the roof

Where we can be

(Where we can be)

Where we can be closer to heaven

Go up the ladder to the roof
